

## Out Of This World Equestrian Style

For the latest fashion trends in equestrian wear, check out the new **Equetech** autumn winter collection. Taking inspiration from the catwalk, the British brand introducing a range of rider clothing that looks as good in the saddle as it does around town.

The **Equetech Apollo Quilted Soft-Shell Jacket** is your introduction to cooler weather, with its ultra-lightweight micro-down insulation and sporty styling. Featuring diagonal reflective piping to the front and back, two-way central zip with storm flap, roomy zip pockets and the signature Equetech 'Snaffles' print, it's bound to be the shining star in your wardrobe. RRP: £93.50 Sizes: XS-3XL Blackberry/Black.

Every girl needs a gilet in their wardrobe and the **Equetech Kingsley Gilet** will see you through the next six months worn alone or as an additional layer. This technical showerproof gilet has a cosy pillow collar and super warm lightweight Bio-Down insulation. Two-way zip, zipped pockets and a machine washable care label ensures this gilet will work hard this season to keep you warm and stylish. RRP: £78.50 Sizes: XS - 4XL

For the perfect curves, you need the perfect breeches and the new **Equetech Shaper Breeches** are designed to give us all a great silhouette in the saddle. Featuring clever seam positioning, a contoured higher waistband they even feature hidden support within to help lift, shape and define your bottom and tummy! Jean style pockets, matt silicone hatching grip seat and Lycra panel to hem make these your 'go to' breeches this autumn. RRP: £89.50 Sizes: 24 - 36" Blackberry, Grey and Navy
