

## **Technical & Terrific!**

### ***\*New from Paragon Equestrian***

Looking for style, performance and comfort in your riding legwear this season?

These gorgeous **Paragon Equestrian Technical Riding Leggings** are styled in a four-way stretch technical fabric offering outstanding performance and comfort. This stylish legwear features moisture-wicking properties and excellent breathability with flat seams which add style and durability and prevent rubbing. The seam-free detail on the inner legs is another smart style detail.

Other functional features include a broad, high stretchy, comfort waistband and pocket on the upper right thigh.

These leggings are finished with contrast fabric inserts for unique, sporty and 'on-trend' styling, a mesh detail to the thigh and finished with silicon logos, which won't lift with machine washing.

**Available in Graphite Grey and Black**

**Sizing Guide: XS 4-6, S 8-10, M 10-12, L 14**
