

RENWICK & SONS

A Brush That's On The Mark

If your horse's turnout is your passion, then the new **Renwick & Sons Quarter Mark Brush** might be on your wish list this competition season.

Created in collaboration with Renwick & Sons' International Showing Ambassador, **Katie Jerram-Hunnable**, the new Quarter Mark Brush utilises the same advanced bristle technology as their full Grooming Kit comprising of nine beautifully crafted tools. Boasting an ergonomic design and a choice of coloured adjustable leather straps which can also be personalised with a name or business name. Incorporating anti-bacterial properties which self-cleanse after use, the precision fill bristles are the perfect capacity and length to give your quarter marks that clean professional finish.

Presented in a beautiful gift box with ribbon, with an optional gift card.
